

MIT elevator outages

Weekly update: April 28th - May 5th, 2025

This list of elevator outages will be issued on a weekly basis. For each activity, we will note anticipated duration if known, and alternate access points. There may be occasions when these closures will cause inconvenience to your research, teaching, studies, or work. Our goal is to provide you with timely information to help you plan and manage your daily activities during these unexpected outages.

Known outages
